This authorizes the annual meeting of the Multistate Research Project, NCCC170, "Research Advances in Agricultural Statistics."

The meeting will be held on 06/28/2018- 06/29/2018 at University of Arkansas - Fayetteville, AR.

Contact:

Ed Gbur: egbur@uark.edu

John Stevens: john.r.stevens@usu.edu

Admin Advisor(s): Bruce Craig

Additional Info:

Ed Gbur : Local Arrangements Chair

John Stevens: Program Chair

This is likely a joint meeting with SCC13

Meeting will be at Whitaker Animal Science Center on the Arkansas Agricultural Experiment Station campus which is located about two miles north of the U of A Fayetteville campus. There are several hotels a short drive away that are within a few blocks of several restaurants and a shopping mall. Announcement regarding block of rooms and rate will be forthcoming.

An informal get-together at one of the local restaurants will be held Wednesday evening for anyone who will be in town at that time.

Thursday will be check-in and registration at the meeting site at 8:00 AM and welcoming and start of the technical program around 8:30. We should end around 5:00. Friday morning would start at 9:00 with any leftover presentations, followed immediately by business meetings. We should be done by late morning.

Registration fee is to be determined.
