NCCC170 and USSES participants,

I have created a Doodle poll to facilitate ride sharing between Northwest Arkansas Regional Airport (XNA) and Fayetteville for the Wednesday before our June meeting and for your return on Friday. The link is

The Friday times were intended to represent the time when you need to arrive at XNA and not when you leave Fayetteville.

For those who are driving, please use the comment section to indicate that you will be driving and the number of riders that you can accommodate. For people needing rides, please contact the drivers directly. Their e-mail addresses can be obtained from the "To List" on this e-mail.

Please let me know if you have any questions. Thanks.
