

April 22

NCCC-170 and USSES members and participants,

Many of us are finalizing our plans for the Summer. So I'm sending a final reminder about our June 28-29 joint annual meeting. I have already heard from Tempelman, Craig, Macchiavelli, Boykin, Stroup, Bello, Goad, Durham, Lipka, Yeater, Stevens, Rosa, Mauromoustakos, Lee, Keuler, Bartlett, Madden, Davis, Luo, and Bridges that they are planning on attending. In addition, I have already heard from Kramer, Dixon, Classen, Nettleton, Dai, Sharp, and Milliken that they would not be able to attend.

For those of you who have not responded yet, please reply to this e-mail by this Thursday (April 26<sup>th</sup>) morning indicating that either you will or will not be attending. I will be finalizing arrangements for a block of hotel rooms on Thursday afternoon. The block of rooms will be for the evenings of the June 27<sup>th</sup> and 28<sup>th</sup>.

Please let me know if you have any questions or if you have replied but have a status change. If you know of someone whom I have inadvertently missed please forward this e-mail to them with a CC to me. I look forward to hearing from you. Thanks.

Ed
