

Hi Ed and Nora

Registration fees = \$0 (none) as we incur no cost for the facility and we have internally agreed to host you as guests for the two days. Our internal costs are limited to 2 sets of lunches, a social hour and coffee/refreshments, not something we wanted to mess with charging for. Dinner and additional entertainment are on your own.

@ Andrea please advise Ed and Nora on local activities / festivals etc. ASAP.

Ride sharing from MSP airport would be a good idea but would involve some coordination among individual participants - as you indicate below.

Cheers Neil
