

Nora

In response to your question regarding hotel reservations, no, a block of rooms does not need to be reserved. Below are the two hotel options in the area that have a Cargill rate, both locations have the same room rate. I will give the hotels a heads up about this conference and that external people will be asking to book under our Cargill rate.

Holiday Inn – Otsego

About 6 minutes from campus

\$5 voucher included for hotel restaurant breakfast

Reservation Contact:

Phone: (763) 656-4400

Holiday Inn – Rogers

About 12 minutes from campus

Free continental breakfast

Reservation Contact: sales@holidayinnrogers.com

Phone: (763) 428-3000

For those traveling by plane, they should fly into the Minneapolis–Saint Paul International Airport. From the airport, there is a 50 mile commute to the Innovation Campus in Elk River, MN.

Cargill Animal Nutrition Innovation Campus Address:

10383 165th Ave. NW

Elk River, MN 55330

Office: 763-441-3330

If there is any additional information you would like, please let me know.

Kind Regards,
Andrea
