

June 1

NCCC170 and USSES participants,

Attached is a copy of the final program including abstracts for our joint meeting on the 28th and 29th. The business meeting on Friday morning will include a discussion of merging USSES with NCCC-170. A copy of the program is posted on the project website

As a reminder, a Doodle poll for ride sharing between Northwest Arkansas Regional Airport (XNA) and Fayetteville for the Wednesday before our meeting and for your return on Friday is still open. The response to date has been minimal. If you will need a ride or can take riders, the link is

The Friday times were intended to represent the time when you need to arrive at XNA and not when you leave Fayetteville.

Last year's business meeting minutes indicate that Illinois is the tentative site for our 2019 meeting. Iowa State and SAS Institute were mentioned as possible sites for 2020. Next year's site needs to be confirmed this year.

Please let me know if you have any questions. Thanks.
